

been active with the Brownies, the PTA and several other community organizations. Together, they took on many of the community's fund-raising needs, most recently the Jim Knight Annual Golf Tournament, which benefits Santa Paula Memorial Hospital.

They built a family as they built a family business. The McCoys started with a two-bay garage in 1960 and expanded to a three-bay garage, with expanded services, three years later. By 1975, the McCoys had built such a loyal following that they had to move to their present location—an eight-bay garage—where they continue to grow.

Mr. Speaker, it is fitting that on the day we return from our districts, having just celebrated Labor Day, that we honor Jim and Marie McCoy. They epitomize the small businessperson—people who strive to build America's economy while raising strong families with strong ideals. They epitomize the entrepreneur, who takes time from his hectic schedule to serve as an elected official and community leader, and who takes time from her hectic schedule to raise funds for nonprofit organizations and serve in our schools.

Mr. Speaker, I know my colleagues will join me in congratulating Jim and Marie McCoy for 40 years of successful ownership of McCoy Automotive & Towing, and thank them for a lifetime of devotion to their community.

TRIBUTE TO DR. ROBERT J. FISHER, SUPERINTENDENT, CASTRO VALLEY UNIFIED SCHOOL DISTRICT

HON. ELLEN O. TAUSCHER

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, September 6, 2000

Mrs. TAUSCHER. Mr. Speaker, I rise today to honor a very special leader in my district. Dr. Robert Fisher has been involved in education for 36 years as a teacher and administrator. As Superintendent, Dr. Fisher has successfully worked for the betterment of the entire school community.

Dr. Bob Fisher emphasized increased student achievement marked by 95 percent of all third graders reading at grade level by the end of third grade, distinguished performance by schools on the statewide assessments, and four schools receiving recognition as State Distinguished Schools. Dr. Fisher established a partnership with St. Mary's College, the Annenberg Foundation, and the Hewlett Foundation. These public-private partnerships have helped Dr. Fisher to better serve the school community and increase literacy rates among students.

I take great pride in honoring Dr. Bob Fisher's dedication and leadership. His hard work has created high standards, rigorous curricula and excellent teachers throughout the District. Under his direction, Castro Valley Unified School District has served as a model for schools in Alameda County and throughout the State of California. I believe that school districts across the country should follow Dr. Fisher's example and take the opportunity to learn from his successful and innovative ways.

PRESIDENT MUST PRESS VAJPAYEE ON HUMAN RIGHTS AND SELF-DETERMINATION

HON. EDOLPHUS TOWNS

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Wednesday, September 6, 2000

Mr. TOWNS. Mr. Speaker, next week Indian Prime Minister Atal Bihari Vajpayee is coming to visit the United States. He will meet with several American leaders, including President Clinton and perhaps both major-party Presidential candidates. When he meets with these leaders, they must bring up the issue of human rights and self-determination.

India claims to be a democracy, but in truth there is no democracy in India. It is a militant Hindu fundamentalist state. Christians, Sikhs, Muslims, Dalits, and other minorities suffer severe oppression and atrocities at the hands of Hindu fundamentalists.

Just last month, a priest in Gujarat was kidnapped, tortured, and paraded through town naked by militant Hindu nationalists. The Indian government has refused to register a complaint against the kidnappers. This is the latest act in a campaign of terror against Christians that has been going on since Christmas 1998. This campaign has seen the murders of priests, rape of nuns, Hindu militants burning a missionary and his two sons to death in their van, the destruction of schools and prayer halls, and other anti-Christian atrocities. Most of these activities have been carried out by allies of the government or people affiliated with organizations under the umbrella of the RSS, the parent organization of the ruling BJP, which was founded in support of Fascism.

Recently, Bal Thackeray, the leader of Shiv Sena, a coalition partner of the ruling BJP, threatened to engulf the country in violence if he is held responsible for his part in hundreds of murders in 1992. In India, democracy apparently requires making coalitions with killers.

The Christians are not the only minority that is being oppressed. When President Clinton visited India in March, 35 Sikhs were massacred in the village of Chithi Singhpora in Kashmir. The Indian government killed five Muslims, claiming that they were the individuals responsible for the killings. Later they were forced to admit that these Muslims were innocent. Now the Indian government has arrested two more people on the claim that they are responsible for the massacre. Yet two independent investigations have clearly established that the Indian government itself was responsible for the massacre. How can a democratic nation justify these actions?

The Sikhs have declared their independence from India, forming the new country of Khalistan in 1987. The people of Kashmir were promised a plebiscite on their future in 1948, and India promised the United Nations that this referendum would be held as well. The people of predominantly Christian Nagalim seek their independence. There are several other freedom movements within India's borders. It seems to this Member that the best, fairest, and most democratic way to settle these issues is to conduct a free and fair plebiscite on the question of independence in these minority nations.

In addition to our legitimate nuclear-proliferation concerns, it is important that as the world's only superpower, our leaders press the government of India to live up to the democratic standards they proclaim by allowing all people within their borders to enjoy basic human rights and self-determination. If they do not do so, we should cut off U.S. aid to India and put this Congress on record with a resolution in support of human rights, self-determination, and nuclear nonproliferation for all the people of South Asia.
